

Protect Your Students. Empower Your Campus.

Drink spiking is real — and rising.

1 in 9 people

will have their DRINKS SPIKED!

As Student Union leaders and peers you are the frontline in helping to create safer nights out.

With CYD[®] drink spike tests, you can give your students the power to:

- ✓ **Check their drinks in seconds**
- ✓ **Spot danger before it's too late**
- ✓ **Feel safer in social spaces**

Trusted · Police-certified · Easy to use

CYD[®] tests detect Ketamine, GHB, Cocaine, Scopolamine and other amine-based drugs — and they work in seconds.

🎓 Already in use across UK Universities, bars, clubs, security companies & councils.

🔬 Backed by independent lab testing & police accreditation (SBD).

**Let's lead the way in student safety.
Take action. Get CYD on your campus.**
